No. 1636 of 1859.—The following paragraphs of a Military letter, from the Right Hon'ble the Secretary of State for India, No. 373, of the 20th October 1859, are published for general information :—

30. In a few cases, however, to be separately and especially considered, the grant of Furlough to Non-Commissioned Officers of standing in the Service, of irreproachable character, and whose health requires a change of climate, will not be objected to.

Letter dated 17th June 1859, No 82.
On the subject of granting Furlough to Europe to the European Non-Commissioned Officers of Her Majesty's Indian Army, advantage being taken of their services to proceed with Invalids and to return with Recruits.

31. The Non-Commissioned Officers who may obtain this indulgence, will invariably be posted to do duty with Invalids or Time-expired men on passage to Europe; on arrival they will report themselves at the India House, and will be allowed a short leave to visit their friends in England, after which they will be available to return to India with drafts. It will be clearly explained to them that such are the conditions on which they obtain Furlough.

No. 1637 of 1859.—The following paragraphs of a Military letter, from the Right Hon'ble the Secretary of State for India, No. 343, of the

30th September 1859, are published in General Orders :—

1. I have now to communicate to your Lordship that, in reference to the probability that some change in the constitution of the Indian Army would result from the Report of the Royal Commission appointed to enquire into its organization, it was decided in December last by Her Majesty's Government that all future appointments of Cadets should be made subject to any alteration that may be decided upon.

2. A copy of the form adopted for this purpose is forwarded for your information, the new Conditions will be found under Question No. 6.

3. A distinction should now be made in the disposal in India of the young Officers so appointed and of those who received their appointments on the same terms as Cadets of the late East India Company's Service.

4. A Nominal Roll of the Cadets appointed under the new Condition is forwarded for your information. You are desired to place these Officers on separate General Lists of Cavalry and Infantry, and should any of them have been already posted to Regiments or even promoted to the rank of Lieutenant, their posting is to be cancelled, and they are to be transferred with their present rank to the General Lists on which they will stand according to the dates of their respective Commissions.

5. The promotion of these young Officers will be for the present regulated as follows: For every vacancy in the rank of Lieutenant in a Regiment of Cavalry or Infantry, where there is no Cornet or Ensign who was appointed on the old Conditions, the Senior Cornet or Ensign of the General Lists will be promoted to the rank of Lieutenant, provided that he shall have served in India not less than one year.

6. These Officers may be attached for Regimental duty to any of the Effective Corps of the local Army or to Line Regiments at the discretion of the Commander-in-Chief.

7. The young Officers of Artillery and Engineers who may have been appointed to Addiscome under the same conditions will not be, on their arrival in India, placed on separate lists, but will have a distinguishing mark entered against their names on the Regimental Lists.

8. Instructions similar to the above will be communicated to the Governments of Madras and Bombay.

With reference to the foregoing, the postings of the under-mentioned Officers, announced in Government General Orders, Nos. 1007 of the 12th, and 1025 of the 15th July, and 1212 of the 26th August 1859, are cancelled :—

No. 1638 of 1859.—The following paragraphs of a Military letter, from the Right Hon'ble the Secretary of State for India, No. 338, of the 30th

September 1859, are published for general information :—

38. Her Majesty's Government have received

Letter dated 13th May 1859, No. 65.

43. Acknowledgments for the important services rendered by the Officers of the Medical and Commissariat Departments, who have been employed in the Field.

with much gratification the high testimony borne by His Excellency the Commander-in-Chief and by your Government, to the efficiency and zeal displayed during the late operations in India by the Medical and Commissariat Departments, under the able administration of Doctor Forsyth and Doctor Linton, C. B., and of Colonel Ramsay and Colonel Manson, C. B., respectively.

No. 1639 of 1859.—The following paragraphs of a Military letter, from the Right Hon'ble the Secretary of State for India, No. 337, of 30th September, are published for general information :—

3. The meritorious services of Conductor Buchanan, especially those performed in the Persian and Central India Campaigns, have given him a claim to favorable consideration, but are not of that special nature which would entitle him to the reward of a Lieutenant's Commission on the Veteran Establishment.

Letter dated 21st April 1859, No. 60.

3 and 4. Memorial from Conductor D. Buchanan, praying for the rank of Lieutenant on the Veteran Establishment.

4. You are however authorized to promote Conductor Buchanan to the grade of Deputy Assistant Commissary, as a Supernumerary.

5. The services of Conductor Lemon since 1826 have been performed in the capacity of Clerk in the Office of the Adjutant-General of the Army, and however useful and valuable these services may have been, they are not of a nature which has usually been admitted as constituting a claim to a Commission on the Veteran Establishment. Advancement in the grade of Warrant Officer would be a more appropriate mode of rewarding Mr. Lemon's services, and you are accordingly authorized to promote him to the grade of Deputy Assistant Commissary, as a Supernumerary.

The promotion of Deputy Assistant Commissaries Buchanan and Lemon, will have effect from the 4th November 1859, the date of receipt of the above Despatch.

Opium Notification.

Notice is hereby given, that on Monday, the 9th January 1860, at the hour of Eleven o'clock in the forenoon, will be put up to Sale at the Exchange Rooms at Calcutta, and sold by Public Auction, for exportation by Sea, the under-mentioned quantity of Opium, the Provision of 1858-59, subject to the following conditions, viz. :—

Produce of Behar Agency	... Chests	1,270
Ditto of Benares ditto	510

Total Chests ... 1,780

Conditions of Sale.

1. The Opium will be sold for exportation by Sea only, and no Certificate will be granted, except to cover such export.

2. The Opium will be ordinarily offered for sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12 of the Conditions of Sale.

3. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertized for sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of, or if the quantity of 1,780 Chests shall not be sold on the day advertized, the Board may dispose of the lots which remain on hand at a future Sale.

4. Each lot to contain Five Chests.

5. A deposit in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000 at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Saturday, the 14th January, or on the other hand failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses, whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 14th January, will be

placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7. No tender of money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed deposit may not have been made before 4 o'clock of the 14th January will be afterwards accepted.

8. The Opium now advertized for sale shall be paid for within 15 clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 24th January 1860, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or chests shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out certificates or orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each certificate or order, and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

10. No Sub-Treasurer's Receipts, or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchasers, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities equal to 25 per Cent., even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually, until a bid is obtained, and the first *bona fide* bidder for a lot after it has been offered for sale in the mode here described, shall be held and declared to be

the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions, any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Port William in Bengal, and all and every plea and pleas to the Jurisdiction of the said Supreme Court shall be waived.

15. The following papers together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1, Certificate of the Opium now advertized for Sale.

No. 2, Report of the examination of such Opium.

16. The public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1858-59, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.*, two of the season's provisions under Sale, and two of the previous season will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale that may be desired by parties, connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances, the Board will entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, obstruction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the Sale and delivery of Opium for shipment.

18. The public are hereby informed that in addition to the quantity above mentioned for sale in January, the following quantities more or less of Behar and Benares Opium of 1858-59 will be brought to sale in the year 1860, on or about the dates specified below. The Board however reserve to themselves the right of altering these dates should circumstances render it expedient to do so.

19. It is hereby further notified that under the 6th Article of the Convention between Great Britain and France, dated 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for sale at the twelve Sales in the months of January, February, March, April, May, June, July, August, September, October, November and December 1860, these shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisitions for the whole of the Opium required by them during the year within 30 days after the publication of this advertizement specifying the particular Sale or Sales from which, the quantity of Opium is intended to be taken. estimated will be brought to sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for sale at each or any of the twelve Sales above mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article 6th.—“ With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred

“ Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood, that, if the quantity of Opium applied for, at any one time, shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests hereinbefore mentioned. The requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta within thirty days after Notice of the intended Sales shall have been published in the *Government Gazette*.”

NOTICE is hereby given, that on Monday, the 9th January 1860, at the hour of Eleven o'clock in the forenoon, will be put up to Sale at the Exchange Rooms at Calcutta, and sold by Public Auction, for exportation by Sea, the under-mentioned quantity of Opium, the Provision of 1858-59, subject to the following conditions, viz. :—

Produce of Behar Agency	... Chests	1,270
Ditto of Benares ditto	510

Total Chests ... 1,780

Conditions of Sale.

1. The Opium will be sold for exportation by Sea only, and no Certificate will be granted, except to cover such export.

2. The Opium will be ordinarily offered for sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12 of the Conditions of Sale.

3. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertised for sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of, or if the quantity of 1,780 Chests shall not be sold on the day advertised, the Board may dispose of the lots which remain on hand at a future Sale.

4. Each lot to contain Five Chests.

5. A deposit in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000 at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Saturday, the 14th January, or on the other hand failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses, whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 14th January, will be

placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7. No tender of money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed deposit may not have been made before 4 o'clock of the 14th January will be afterwards accepted.

8. The Opium now advertized for sale shall be paid for within 15 clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 24th January 1860, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or chests shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out certificates or orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each certificate or order, and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

10. No Sub-Treasurer's Receipts, or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchasers, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities equal to 25 per Cent., even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually, until a bid is obtained, and the first *bona fide* bidder for a lot after it has been offered for sale in the mode here described, shall be held and declared to be

the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions, any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the Jurisdiction of the said Supreme Court shall be waived.

15. The following papers together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1, Certificate of the Opium now advertized for Sale.

No. 2, Report of the examination of such Opium.

16. The public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1858-59, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.*, two of the season's provisions under Sale, and two of the previous season will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances, the Board will entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, obstruction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the Sale and delivery of Opium for shipment.

18. The public are hereby informed that in addition to the quantity above mentioned for sale in January, the following quantities more or less of Behar and Benares Opium of 1858-59 will be brought to sale in the year 1860, on or about the dates specified below. Opium Notification.

NOTICE is hereby given, that on Monday, the 9th January 1860, at the hour of Eleven o'clock in the forenoon, will be put up to Sale at the Exchange Rooms at Calcutta, and sold by Public Auction, for exportation by Sea, the under-mentioned quantity of Opium, the Provision of 1858-59, subject to the following conditions, viz. :—

Produce of Behar Agency	...	Chests	1,270
Ditto of Benares ditto	...	"	510

Total Chests ... 1,780

Conditions of Sale.

1. The Opium will be sold for exportation by Sea only, and no Certificate will be granted, except to cover such export.

2. The Opium will be ordinarily offered for sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12 of the Conditions of Sale.

3. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertised for sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of, or if the quantity of 1,780 Chests shall not be sold on the day advertised, the Board may dispose of the lots which remain on hand at a future Sale.

4. Each lot to contain Five Chests.

5. A deposit in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000 at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Saturday, the 14th January, or on the other hand failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses, whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 14th January, will be

placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7. No tender of money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed deposit may not have been made before 4 o'clock of the 14th January will be afterwards accepted.

8. The Opium now advertized for sale shall be paid for within 15 clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 p. m. of Tuesday the 24th January 1860, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or chests shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out certificates or orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each certificate or order, and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

10. No Sub-Treasurer's Receipts, or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchasers, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities equal to 25 per Cent., even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually, until a bid is obtained, and the first *bona fide* bidder for a lot after it has been offered for sale in the mode here described, shall be held and declared to be

the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions, any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the Jurisdiction of the said Supreme Court shall be waived.

15. The following papers together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1, Certificate of the Opium now advertized for Sale.

No. 2, Report of the examination of such Opium.

16. The public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1858-59, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.*, two of the season's provisions under Sale, and two of the previous season will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale that may be desired by parties, connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances, the Board will entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, obstruction of Opium, or adulteration of the drug which may be preferred on reference to Chests after the Sale and delivery of Opium for the season.

18. The public are hereby informed that in addition to the quantity above mentioned for sale in January, the following quantities more or less of Behar and Benares Opium of 1858-59 will be brought to sale in the year 1860, on or about the dates specified below. The Board however reserve to themselves the right of altering these dates should circumstances render it expedient to do so.

Article 6th.—"With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred

Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood, that, if the quantity of Opium applied for, at any one time, shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests hereinbefore mentioned. No. 36 of 1859.—With reference to General Order by His Excellency the Governor-General, dated the 12th of October 1859, it is hereby notified for general information, that the boon of two years' service conferred on those men of Her Majesty's European Local Forces, who did not take their discharge under the Government General Order, No. 883, of the 20th of June last, is applicable to all Warrant Officers, Non-Commissioned Officers and Soldiers of the Local Forces, without exception. But the boon is to be applied solely in calculating the length of service of any man as a Soldier, and is not to be reckoned towards the completion of fixed periods for promotion in Departments or for enhancement of retiring Pensions, or towards Good Conduct Pay, or

claim to Gratuity and Medal, or any other advantage for the obtainment of which actual service is necessary.

Illustration.—Warrant Officers of Departments are admitted to Retiring Pension after the under-mentioned periods of service, viz :—

27	Years effective	12	Years as Warrant Officer.
25	service in In-	14	Officiating Warrant Officer, or Soldier in the Department to which they belong, counting from date of transfer from Corps to Department.
22	dis including	17	

A Warrant Officer who has served twenty-five years in the Army, and, twelve in a Department, may claim the Pension, because the boon gives him the two years deficient in his Army service, but a Warrant Officer who has served twenty seven years in the Army, and ten years in a Department, cannot claim the Pension, by adding the boon to the latter, because the addition of the boon of two years is not applicable to service in a Department, but in the Army exclusively.

Opium. Notification.

NOTICE is hereby given, that on Monday, the 9th January 1860, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms at Calcutta, and sold by Public Auction, for exportation by Sea, the under-mentioned quantity of Opium, the Provision of 1858-59, subject to the following conditions, viz. :—

Produce of Behar Agency	...	Chests	1,270
Ditto of Benares ditto	...	"	510

Total Chests ... 1,780

Conditions of Sale.

1. The Opium will be sold for exportation by Sea only, and no Certificate will be granted, except to cover such export.

2. The Opium will be ordinarily offered for sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12 of the Conditions of Sale.

3. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertized for sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of, or if the quantity of 1,780 Chests shall not be sold on the day advertized, the Board may dispose of the lots which remain on hand at a future Sale.

4. Each lot to contain Five Chests.

5. A deposit in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000 at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Saturday, the 14th January, or on the other hand failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses, whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 14th January, will be

placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7. No tender of money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed deposit may not have been made before 4 o'clock of the 14th January will be afterwards accepted.

8. The Opium now advertized for sale shall be paid for within 15 clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 24th January 1860, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or chests shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out certificates or orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each certificate or order, and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

10. No Sub-Treasurer's Receipts, or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchasers, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities equal to 25 per Cent., even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually, until a bid is obtained, and the first *bona fide* bidder for a lot after it has been offered for sale in the mode here described, shall be held and declared to be

the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions, any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the Jurisdiction of the said Supreme Court shall be waived.

15. The following papers together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1, Certificate of the Opium now advertized for Sale.

No. 2, Report of the examination of such Opium.

16. The public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1858-59, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.*, two of the season's provisions under Sale, and two of the previous season will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug was kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale that may be desired by parties, connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances, the Board will entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, obstruction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the Sale and delivery of Opium for shipment.

18. The public are hereby informed that in addition to the quantity above mentioned for sale in January, the following quantities more or less of Behar and Benares Opium of 1858-59 will be brought to sale in the year 1860, on or about the dates specified below. The Board however reserve to themselves the right of altering these dates should circumstances render it expedient to do so.

GOVERNOR GENERAL'S CAMP, AGRA,
Friday, the 2nd December 1859.

Notification.—On Tuesday, the 29th November, His Excellency the Viceroy and Governor General held a Durbar for the private reception of the Princes and Chiefs of Central India and Rajpootana.

The under-mentioned Princes and Chiefs had audiences of His Excellency :—

The Maharaja Sindhia of Gwalior.
The Maharaja of Jyepoor.
The Maharaja of Kerowly.
The Maha Rao Raja of Ulwur.
The Nawab of Tonk.
The Maharaja of Dholpoor.
The Nawab of Jowra.
The Maharaja of Bhudawur.
The Jageerdar of Jussoo.

Each Chief was accompanied by a few of his nearest relations and of his Principal Officers of State.

On arrival and departure, the Maharaja Sindhia received a salute of 19 Guns ; the Maharajas Jyepoor and Kerowly each a salute of 17 Guns ; the Maha Rao Raja of Ulwar, the Nawab of Tonk and the Maharaja of Dholpoor, each a salute of 15 Guns ; and the Nawab of Jowra a salute of 13 Guns.

On Wednesday, the 30th November, the above-mentioned Princes and Chiefs, with their Attendants, the Principal Native Residents of the Agra Division of the North-West Provinces, and the Civil and Military Officers of Agra and the adjoining Districts were received by the Viceroy and Governor General in open Durbar.

When all were assembled the Viceroy and Governor General, accompanied by His Excellency the Commander-in-Chief, entered and took his seat under a Royal Salute.

The Maharaja Sindhia of Gwalior sat on the right hand of the Viceroy and Governor General and the Maharaja of Jyepoor on His Excellency's left hand.

Suitable khillats were bestowed on all the Native Princes, Chiefs and Gentlemen present, and the following rewards were given for loyalty to the British Government and good services during the rebellion :—

To the Maharaja Sindhia increase of Territory and exemption for some of the obligations imposed on the Gwalior State by the Treaty of 1844.

In conferring these rewards upon the Maharaja, the Viceroy and Governor General addressed His Highness in the following words—

“ MAHARAJA OF GWALIOR.

“ It is with no ordinary pleasure that I receive your Highness in this assembly in the presence of His Excellency the Commander-in-Chief and of many distinguished Officers of the Armies of India, of many high Officers of the Civil Service and other English Gentlemen, and before many loyal native subjects of the Queen.”

“ I am glad to receive your Highness at Agra. It was from Agra that a few days after the outbreak of rebellion, I received the news of your prompt and loyal tender to the Lieutenant-Governor, the lamented Mr. Colvin, of the services of the most trustworthy of your own personal guard.”

“ It was from Agra that twelve months later, when the brunt of the rebellion had fallen at last upon Gwalior, a great part of that Army marched, which under Sir H. Rose drove back your enemies and re-seated you within twenty days in the palace of your Capital.”

“ These were the opening and closing scenes of the rebellion in the neighbourhood of this City. During the intervening year and since that time you have earnestly supported the British Government with your whole strength, and in every

thing have shown yourself mindful of the ties which bind you to it.”

“ As the head of that Government I thank you heartily.”

“ I now make known to your Highness that in remembrance of the services which you have rendered, and to increase your authority and dignity, land to the annual value of three lacs will be added to your Territory ; that the limitation now imposed upon the number of your Infantry Troops will be enlarged ; that the arrears due from your Government on account of the Assigned Districts are remitted ; and that henceforward no payment will be claimed from your Highness' Government when the proceeds of those Districts fall short of the sum stipulated by the Treaty of Gwalior.”

“ I have already told your Highness, that if unhappily lineal heirs shall fail you, the Government will see with pleasure your adoption of a successor according to the rules and traditions of your Family. Your Highness and all your Highness' subjects may be sure that it is the earnest desire of the Paramount Power that the loyal and princely house of Sindhia shall be perpetuated and flourish.”

“ I expect, and I am sure that I shall not be disappointed in the expectation that your Highness will continue to apply all the energies of your Government, Civil and Military, to enforcing peace, and giving contentment in the country under your rule.”

To the Maharaja of Jyepoor, the Pergunnah of Kote-Kassim was given.

His Excellency announced this gift to the Maharaja in the following terms :—

“ MAHARAJA OF JYEPPOOR.

“ The presence at this Durbar of yourself, a Prince sprung from the oldest and noblest families of Rajpootana, and a faithful and zealous feudatory of the British Crown is very gratifying to me.”

“ The Territory of Jyepoor was less continuously harassed by the rebellion than many others, but occasions were not wanting to you in which to show your signal loyalty.”

“ When the rebel force approached your Capital and called upon you to surrender the British Officers in it, your answer was “ come and take them.”

“ When the Political Agent was absent on distant duties, you gave a careful and considerate protection to his family.”

“ When opportunity offered, you sent in safety to this City of Agra, under an escort of your own, fifty Christian lives.”

“ You have done all in your power to aid the British Troops by keeping open the communications through your Country.”

“ In recognition of these services I desire your acceptance of the Pergunnah of Kote-Kassim, as an addition to your Territory. It was lately an appanage of the King of Delhi, by whose treason and rebellion against the British power it has been forfeited. In adding it to your possessions, I feel certain that I place it for ever in loyal hands.”

“ I desire to take this opportunity of thanking your Highness and the Jyepoor Durbar for the faithful performance of its promises, and of the wishes of the British Government in steadily suppressing Suttees within your Territory, and in allowing no abuse of the right of Sanctuary by murderers and robbers.”

To the Maharaja of Kerowly a khillut of the value of twenty thousand Rupees and remission of debts due to the British Government.

The Viceroy and Governor General in conferring these rewards upon the Maharaja, publicly thanked his Highness for the steady and active loyalty he evinced throughout the rebellion, especially in issuing a Proclamation soon after the first disturbances broke out, declaring his own intention to adhere to the cause of the British Government, and calling upon his subjects to support him, in sending Troops to assist in preserving order in British Territory, and afterwards in rendering assistance to the Chief of Kotah at a critical juncture.

To the Maha Rao Raja of Ulwur a khillut of the value of twenty thousand Rupees.

After investiture, the Viceroy and Governor General addressed the Maha Rao Raja in the following words :—

“ MAHA RAO RAJA OF ULWUR.

“ You are welcome to this Durbar for your Father's sake. There was no better ruler, and no more faithful feudatory of the Queen in Rajpootana than Bunnee Sing. In his last illness he sent his best Troops to the support of the British Government, and many of them were killed in the discharge of that duty at no great distance from this city.”

“ I regret to think that he did not live to see their death avenged.”

“ Maha Rao, you are very young to be left alone, as the successor to the Ruler of an ancient State.”

“ I know that you have had bad advisers, and that you have been misled by them. But these men have been removed from you, and I now enjoin you to use the time which must elapse before you can begin to govern so as to show by your conduct that the Governor General of India need not hesitate to recognize and support your authority when that time arrives.”

“ Walk in your father's footsteps, and you will be sure of that support.”

“ Guide yourself by the advice of the Governor General's Agent, Major Eden, and of the Political Agent, and receive the counsel which I have given to you in the friendly spirit in which it is spoken.”

“ The Guns of your father's force which were lost shall be returned to the Ulwur State if possible ; if not, I will send others.”

To the Nawab of Tonk, a khillut of the value of twenty thousand Rupees.

On investing the Nawab, the Viceroy and Governor General thanked His Highness for the aid he afforded to the British Government throughout the rebellion, and for his stout defence of the Fort and Town of Tonk against the rebel army under Tantia Topee. His Excellency also assured the Nawab, that the Pergunnah of Nimbera which passed during the disturbances into the hands of the Oodeypore State would shortly be restored to him.

To the Nawab of Jowra, a khillut of the value of twenty thousand Rupees, an increase in his salute to 13 Guns and a remission of a part of His Highness' contribution towards the expense of the Malwa Contingent.

The Viceroy and Governor General thanked the Nawab for his steady attachment to the British Government, and for the exercise of his influence in supporting its authority in Malwa.

On investing the Maharaja of Dholpoor, with his dress of honor, the Viceroy and Governor

General thanked him for the services he had rendered at the commencement of the rebellion in saving the lives of Christian subjects of the Queen, and for his personal loyalty to the British Government on all occasions, but His Excellency exhorted the Maharaja to enforce his orders on the Officers of his Durbar, and not to allow Dholpoor to become an asylum for criminals accused of committing heinous crimes in British Territory.

Rewards were also conferred by His Excellency on the Principal Sirdars and Ministers of the Native States who were most forward in carrying out the orders of their several Chiefs for the support of the Queen's Troops, and the maintenance of British authority.

To Rao Raja Dinkur Rao Rughonath, Dewan and First Minister of the Maharaja of Sindhia, His Excellency addressed the following words :—

“ DEWAN DINKUR RAO.

“ With the concurrence of your Sovereign and Master the Maharaja of Gwalior, I take this opportunity of testifying the appreciation by the Government of India of the services which you have rendered to His Highness and to the paramount power.”

“ You will receive a confiscated Estate in or near to the Benares Division free of Revenue in perpetuity, and yielding a rental of 5,000 Rupees a year.”

“ I believe that seldom has a Ruler been served in troubled times by a more faithful, fearless or able Minister than yourself.”

The following rewards were also given :—

To Baba Mohurgurb, Commander of the Maharaja Sindhia's Troops, a khillut of the value of five thousand Rupees, and confiscated lands with a yearly rental of Rupees 2,000, free of Revenue to Government in perpetuity.

To Raja Juswunt Rao Bahadur of Luckna, in Zillah Etawah, a khillut of the value of five thousand Rupees, in addition to a Jageer already granted to him.

After the concluding ceremonies, the Viceroy left his seat under a Royal Salute, accompanied by His Excellency the Commander-in-Chief. The Maharajas of Gwalior and Jyepoor having been conducted from the Tent, the assembly broke up.

On Thursday, the 1st December, the Viceroy and Governor General accompanied by the Secretary and Under-Secretary to the Government of India, and by the Officers of His Excellency's Personal Staff, paid return visits to the several Princes and Chiefs in succession at their respective encampments.

His Excellency was met by the Chiefs themselves and by their Principal Ministers in accordance with established custom, and was received at each encampment, both on arrival and departure, with a Royal Salute.

In each case the usual offerings were presented and accepted, and the customary ceremonies having been observed, His Excellency retired.

5. A deposit in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000 at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Saturday, the 14th January, or on the other hand failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses, whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 14th January, will be

placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7. No tender of money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed deposit may not have been made before 4 o'clock of the 14th January will be afterwards accepted.

8. The Opium now advertized for sale shall be paid for within 15 clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 24th January 1860, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or chests shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out certificates or orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each certificate or order, and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

10. No Sub-Treasurer's Receipts, or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchasers, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities equal to 25 per Cent., even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually, until a bid is obtained, and the first *bona fide* bidder for a lot after it has been offered for sale in the mode here described, shall be held and declared to be

the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions, any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the Jurisdiction of the said Supreme Court shall be waived.

15. The following papers together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1, Certificate of the Opium now advertized for Sale.

No. 2, Report of the examination of such Opium.

16. The public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1858-59, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.*, two of the season's provisions under Sale, and two of the previous season will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug was kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale that may be desired by parties, connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances, the Board will entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, obstruction of Opium, or adulteration of the drug which may be preferred on reference to Chests after the Sale and delivery of Opium for shipment.

18. The public are hereby informed that in addition to the quantity above mentioned for sale in January, the following quantities more or less of Behar and Benares Opium of 1858-59 will be brought to sale in the year 1860, on or about the dates specified below. The Board however reserve to themselves the right of altering these dates should circumstances render it expedient to do so.

Article 6th.—“ With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred

“ Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood, that, if the quantity of Opium applied for, at any one time, shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests hereinbefore mentioned. XIII. If any Native Passenger in any Ship shall be landed at any Port or place other than the Port or place at which he may have contracted to land, unless with his previous consent, or unless such landing is made necessary by perils of the sea or other unavoidable accident, the Master shall for each offence be liable to a penalty not exceeding two hundred Rupees.

XIV. Nothing in this Act contained shall take away or abridge any right of action which may accrue to any Native Passenger, or to any other person, in respect of the breach or non-performance of any contract made with the Master or Owner of the Ship or his Agent.

XV. All offences against this Act shall be punishable in a summary manner by a Magistrate. THE 24TH DECEMBER 1859.

THE following Bill was read a second time in the Legislative Council of India on the 24th December 1859, and was referred to a Select Committee who are to report thereon after the 28th of February next :—

A Bill to provide for the good order and discipline of the Battalions of Military Police.

WHEREAS it is expedient to provide for good order and discipline in the Battalions of Military Police entertained under the Governments of Bengal and of the North-Western Provinces ; It is enacted as follows :—

I. For the better regulation of discipline and the maintenance of good order in the Battalions of Military Police entertained under the Lieutenant-Governors of Bengal and the North-Western Provinces, all Native Officers, Non-Commissioned Officers, and Privates attached to or serving with those Battalions, shall be subject to the provisions of this Act, and on the commission of any of the offences enumerated in the Table annexed to this Act, to be tried as hereinafter directed. Provided that if any Battalion or part thereof, in time of war or when employed against any persons in arms hostile to the Government,

shall be placed under the orders of any Officer Commanding the Military Forces of the Government, it shall be competent to this Officer to direct all persons attached to the Battalion of Military Police to be held amenable to any Articles of War that shall be in force among the Troops under his command so far as the same shall be applicable.

II. The cognizance of the commission of any of the offences enumerated in the Table annexed to this Act which shall be charged against any Officer, Non-Commissioned Officer, or Private of a Battalion of Military Police, is vested in the Commanding Officer of each Battalion who, if he find sufficient grounds for a trial, shall try the offender as provided in this Act.

III. All Officers, Non-Commissioned Officers, and Privates of Police Battalions shall be amenable to the ordinary Courts of Criminal Jurisdiction of Magistrates with respect to any offence of which a Magistrate may take cognizance ; and it shall be competent to the Commanding Officer of a Police Battalion in any case which he may try under this Act and which is also triable by a Magistrate, instead of trying the offender, to report the circumstances for the information of the Magistrate having jurisdiction in the matter. When in any case a Magistrate is certified that an offence committed by an Officer, Non-Commissioned Officer, or Private of a Police Battalion is under trial by a Commanding Officer empowered under this Act to try the same, he shall stay his own proceedings.

IV. When a Commanding Officer finds ground for the trial or investigation of any offence, he may direct the person charged, if an Officer or Non-Commissioned Officer, to be placed under arrest ; if a Private to be placed in confinement.

V. The depositions of prosecutors and witnesses and the statements of offenders shall be taken down in the Vernacular language of the parties under examination, but Language in which depositions to be taken down. it shall be competent to the Lieutenant-Governors of Bengal and of the North-Western Provinces, with respect to pay of the offences enumerated in the annexed Table, to direct the Presiding Officer to record the depositions of witnesses by way of running narrative in his own hand-writing and in his own language and to dispense with a Vernacular record of the evidence in such cases.

VI. If any person not amenable to this Act when duly summoned to appear as a witness shall not appear or appearing shall refuse to give his evidence, the default or recusancy, as it may be, may be notified to the Magistrate having jurisdiction in the place where the trial is held under this Act, and the Magistrate shall be competent to deal with the case as if the default or

recusancy had occurred in any matter pending before himself.

VII. When a Commanding Officer shall be of opinion that any Officer, Non-Commissioned Officer, or Private charged with the commission of any of the offences enumerated in Article I of the annexed Table is guilty, and that a sentence of two years' imprisonment with or without labor, and in the case of Non-Commissioned Officers or Privates with or without stripes, is inadequate to the offence, he shall commit the prisoner for trial before the Sessions Judge of any District in which the investigation may have been held, and the Sessions Judge shall try the prisoner as in ordinary cases provided. If the Sessions Judge convict the prisoner, he shall pronounce such sentence as he may think fit: but no sentence of death shall be carried into effect without the proceedings being referred for the revision of the Sudder Court, and the Sudder Court shall confirm or mitigate the sentence or acquit the prisoner as it may deem fitting.

VIII. When a Commanding Officer shall acquit the person tried, the order of acquittal shall be final; but it shall be competent to the Inspector of Military Police in Bengal or the Commissioner of Military Police in the North-Western Provinces, under such limitation and control as the Lieutenant-Governors of those Provinces may impose, on a review of the proceedings held by a Commanding Officer in any case, to direct the dismissal of the Officer, Non-Commissioned Officer, or Private under trial.

IX. When a Commanding Officer shall convict a person under trial, he shall pronounce such sentence as he may consider adequate to the offence committed, within the limits of the punishments prescribed in the annexed Table: but whenever the sentence pronounced shall in the case of Officers exceed simple imprisonment for or the forfeiture of pay for one month in the whole; or, in the case of Non-Commissioned Officers or Privates shall exceed six months' imprisonment with labor or with fifty stripes—the trial shall be referred for the confirmation of the Inspector or Commissioner as aforesaid; and it shall be competent to the Inspector or the Commissioner in any such case to confirm or mitigate the sentence imposed or to acquit the prisoner.

X. In any case not referred by a Commanding Officer, it shall be competent to the Inspector or Commissioner as aforesaid to call for the proceedings and to confirm or mitigate the sentence pronounced or discharge the prisoner.

XI. No Officer, Non-Commissioned Officer, or Private shall be dismissed except with the sanction of the Inspector or the Commissioner of Military Police, and in the case of an Officer except with the sanction of the local Government.

XII. When a Commanding Officer shall sentence a Non-Commissioned Officer to corporal punishment, he shall at the same time order him to be reduced to the ranks, unless the sentence include dismissal.

XIII. When a Commanding Officer shall convict any Non-Commissioned Officer of any of the offences enumerated in the annexed Table, it shall be competent to him to reduce the offender to a lower grade or to the ranks, in lieu of or in addition to the punishment which he may inflict; but whenever the sentence is required to be confirmed by the Inspector or Commissioner aforesaid, the order for the reduction of the prisoner shall be subject to the same confirmation.

XIV. When a Commanding Officer shall convict a Non-Commissioned Officer or a Private of any of the offences enumerated in the annexed Table, he may order the offender to be dismissed in lieu of or in addition to the sentence which he may inflict.

XV. When any Officer, Non-Commissioned Officer, or Private shall be dismissed, he shall forfeit all claim to pension.

XVI. When any Officer not being the Commanding Officer of a Battalion, shall be on detached duty in command of a Company or other party of the Battalion, it shall be competent to the Inspector or Commissioner of Military Police with the sanction of the local Government to vest him specially with the powers of a Commanding Officer of a Battalion for the trial of the offences defined in any or all of the following Articles of the annexed Table: that is, Articles 6, 7, 8, 9, 11, 12, 14, 15.

XVII. Any person sentenced to imprisonment under this Act may be confined in any prison or place that the local Government may think fit to direct.

XVIII. It shall be competent to the Inspector or Commissioner of Police as aforesaid, subject to the approval and direction of the local Governments, to require Officers having authority to try offences under this Act to submit monthly or other returns of the cases under trial, and to prescribe suitable forms for the same.

XIX. If a Battalion of Military Police or a party thereof be detached on duty beyond the limits of the Government to which it belongs, the jurisdiction vested in Commanding Officers of Battalions and in other Officers under Sections II and XVI of this Act may be exercised in any place, district, or province in which the said Battalion or party may be employed.

THE 24TH DECEMBER 1859.

THE following Bill was read a second time in the Legislative Council of India on the 24th December 1859, and was referred to a Select Committee who are to report thereon after the 28th of February next:—

A Bill to provide for the good order and discipline of the Battalions of Military Police.

WHEREAS it is expedient to provide for good order and discipline in the Battalions of Military Police entertained under the Governments of Bengal and of the North-Western Provinces; It is enacted as follows:—

I. For the better regulation of discipline and the maintenance of good order in the Battalions of Military Police entertained under the Lieutenant-Governors of Bengal and the North-Western Provinces, all Native Officers, Non-Commissioned Officers, and Privates attached to or serving with those Battalions, shall be subject to the provisions of this Act, and on the commission of any of the offences enumerated in the Table annexed to this Act, to be tried as hereinafter directed. Provided that if any Battalion or part thereof, in time of war or when employed against any persons in arms hostile to the Government,

shall be placed under the orders of any Officer Commanding the Military Forces of the Government, it shall be competent to this Officer to direct all persons attached to the Battalion of Military Police to be held amenable to any Articles of War that shall be in force among the Troops under his command so far as the same shall be applicable.

II. The cognizance of the commission of any of the offences enumerated in the Table annexed to this Act which shall be charged against any Officer, Non-Commissioned Officer, or Private of a Battalion of Military Police, is vested in the Commanding Officer of each Battalion who, if he find sufficient grounds for a trial, shall try the offender as provided in this Act.

III. All Officers, Non-Commissioned Officers, and Privates of Police Battalions shall be amenable to the ordinary Courts of Criminal Jurisdiction of Magistrates with respect to any offence of which a Magistrate may take cognizance; and it shall be competent to the Commanding Officer of a Police Battalion in any case which he may try under this Act and which is also triable by a Magistrate, instead of trying the offender, to report the circumstances for the information of the Magistrate having jurisdiction in the matter. When in any case a Magistrate is certified that an offence committed by an Officer, Non-Commissioned Officer, or Private of a Police Battalion is under trial by a Commanding Officer empowered under this Act to try the same, he shall stay his own proceedings.

IV. When a Commanding Officer finds ground for the trial or investigation of any offence, he may direct the arrest or confinement of persons charged, if an Officer or Non-Commissioned Officer, to be placed under arrest; if a Private to be placed in confinement.

V. The depositions of prosecutors and witnesses and the statements of offenders shall be taken down in the Vernacular language of the parties under examination, but it shall be competent to the Lieutenant-Governors of Bengal and of the North-Western Provinces, with respect to any of the offences enumerated in the annexed Table, to direct the Presiding Officer to record the depositions of witnesses by way of running narrative in his own hand-writing and in his own language and to dispense with a Vernacular record of the evidence in such cases.

VI. If any person not amenable to this Act when duly summoned to appear as a witness shall not appear: or appearing shall refuse to give his evidence, the default or recusancy, as it may be notified to the Magistrate having jurisdiction in the place where the trial is held under this Act, and the Magistrate shall be competent to deal with the case as if the default or

recusancy had occurred in any matter pending before himself.

VII. When a Commanding Officer shall be of opinion that any Officer, Non-Commissioned Officer, or Private charged with the commission of any of the offences enumerated in Article I of the annexed Table is guilty, and that a sentence of two years' imprisonment with or without labor, and in the case of Non-Commissioned Officers or Privates with or without stripes, is inadequate to the offence, he shall commit the prisoner for trial before the Sessions Judge of any District in which the investigation may have been held, and the Sessions Judge shall try the prisoner as in ordinary cases provided. If the Sessions Judge convict the prisoner, he shall pronounce such sentence as he may think fit: but no sentence of death shall be carried into effect without the proceedings being referred for the revision of the Sudder Court, and the Sudder Court shall confirm or mitigate the sentence or acquit the prisoner as it may deem fitting.

VIII. When a Commanding Officer shall acquit the person tried, the order of acquittal shall be final; but it shall be competent to the Inspector of Military Police in Bengal or the Commissioner of Military Police in the North-Western Provinces, under such limitation and control as the Lieutenant-Governors of those Provinces may impose, on a review of the proceedings held by a Commanding Officer in any case, to direct the dismissal of the Officer, Non-Commissioned Officer, or Private under trial.

IX. When a Commanding Officer shall convict a person under trial, he shall pronounce such sentence as he may consider adequate to the offence committed, within the limits of the punishments prescribed in the annexed Table: but whenever the sentence pronounced shall in the case of Officers exceed simple imprisonment for or the forfeiture of pay for one month in the whole; or, in the case of Non-Commissioned Officers or Privates shall exceed six months' imprisonment with labor or with fifty stripes—the trial shall be referred for the confirmation of the Inspector or Commissioner as aforesaid; and it shall be competent to the Inspector or the Commissioner in any such case to confirm or mitigate the sentence imposed or to acquit the prisoner.

X. In any case not referred by a Commanding Officer, it shall be competent to the Inspector or Commissioner as aforesaid to call for the proceedings and to confirm or mitigate the sentence pronounced or discharge the prisoner.

XI. No Officer, Non-Commissioned Officer, or Private shall be dismissed except with the sanction of the Inspector or the Commissioner of Military Police, and in the case of an Officer except with the sanction of the local Government.

XII. When a Commanding Officer shall sentence a Non-Commissioned Officer to corporal punishment, he shall at the same time order him to be reduced to the ranks, unless the sentence include dismissal.

XIII. When a Commanding Officer shall convict any Non-Commissioned Officer of any of the offences enumerated in the annexed Table, it shall be competent to him to reduce the offender to a lower grade or to the ranks, in lieu of or in addition to the punishment which he may inflict; but whenever the sentence is required to be confirmed by the Inspector or Commissioner aforesaid, the order for the reduction of the prisoner shall be subject to the same confirmation.

XIV. When a Commanding Officer shall convict a Non-Commissioned Officer or a Private of any of the offences enumerated in the annexed Table, he may order the offender to be dismissed in lieu of or in addition to the sentence which he may inflict.

XV. When any Officer, Non-Commissioned Officer, or Private shall be dismissed, he shall forfeit all claim to pension.

XVI. When any Officer not being the Commanding Officer of a Battalion, shall be on detached duty in command of a Company or other party of the Battalion, it shall be competent to the Inspector or Commissioner of Military Police with the sanction of the local Government to vest him specially with the powers of a Commanding Officer of a Battalion for the trial of the offences defined in any or all of the following Articles of the annexed Table: that is, Articles 6, 7, 8, 9, 11, 12, 14, 15.

XVII. Any person sentenced to imprisonment under this Act may be confined in any prison or place that the local Government may think fit to direct.

XVIII. It shall be competent to the Inspector or Commissioner of Police as aforesaid, subject to the approval and direction of the local Governments, to require Officers having authority to try offences under this Act to submit monthly or other returns of the cases under trial, and to prescribe suitable forms for the same.

XIX. If a Battalion of Military Police or a party thereof be detached on duty beyond the limits of the Government to which it belongs, the jurisdiction vested in Commanding Officers of Battalions and in other Officers under Sections II and XVI of this Act may be exercised in any place, district, or province in which the said Battalion or party may be employed.

No. 39 of 1859.—His Excellency the Governor General is pleased to direct that the following Military Letter from the the Right Hon'ble the Secretary of State for India, No. 380, dated 27th October 1859, be published in General Orders:—

MILITARY.

INDIA OFFICE,

No. 380.

London, 27th October 1859.

HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

MY LORD,

Military Letter No. 83, dated 17th June 1859.

Refers certain questions regarding the rules under which Lieutenant-Colonels of Her Majesty's Indian Forces are entitled to promotion to the rank of Colonel, under the Royal Warrant of 31st January 1859.

AFTER communication with His Royal Highness the General Commanding in Chief, I have to intimate the decision of Her Majesty's Government in the several points referred to in your Despatch No. 83, of the 17th June 1859, as follows:—

1. The Office of Deputy Secretary to Government, Military Department in Bengal, Madras, and Bombay may be added to those enumerated in the 8th Clause of the Royal Warrant of 31st January 1859, as entitling the incumbent, if otherwise qualified, to promotion after five years to the rank of Colonel.

2. The Command of Local or Irregular Regiments, under the orders of the Commander-in-Chief, will be considered as qualifying for promotion to the rank of Colonel, under the provisions of Clause 8 of the Royal Warrant.

3. The rule in Clause 17 of the Royal Warrant which directs "that the Commands of General Officers, and other situations on the Staff, shall not be held for more than five years, unless "by re-appointment under special circumstances" is intended to apply to all appointments on the General Staff of the Army, but not to Officers on the Civil Staff Department connected with the Army, or to Civil or Political situations.

I have, &c.,

(Signed) C. Wood.

Camp Meerut, the 20th December 1859.

No. 52 of 1859.—His Excellency the Governor General issues this Notification for the information of the Bengal Native Army.

2. It is likely that an Army will shortly be required from India for the Queen's Service in China.

3. This Army will be composed partly of European and partly of Native Troops.

4. The European portion of it will consist of Seven Regiments of Infantry (in addition to the Two Regiments recently sent to China,) and some Cavalry; but respecting this portion of the Force, His Excellency the Commander-in-Chief will in due time issue the necessary directions.

5. The Native portion of the Army will consist, in the first instance, of Five Battalions of Infantry, of which Four will be selected from such Punjabee Regiments as may volunteer for the service, and one from the Hindostanee Regiments which may volunteer. Some Irregular Cavalry will also be sent.

6. The strength of the Battalions will be 800 Privates each, with the due proportion of Native Commissioned and Non-Commissioned Officers, in eight Companies.

7. Each man, whether belonging to a Regiment volunteering collectively, or coming forward separately, will be required to sign or seal a paper declaring himself to be a Volunteer. This precaution for securing individual willingness will be taken after the offer of a Regiment, or of any man belonging to it shall have been accepted by the Governor General.

8. The period for which Volunteers are now required is two years. If it should happen that the service in China extends beyond two years, any man who may wish to be relieved at the end of that term will be relieved.

9. Depôts will be formed in India of Regiments volunteering; to which men who do not proceed on Foreign Service will be attached; and the property left behind by the men, and any of their families, will be carefully looked after at these Depôts.

10. The Native Volunteer Battalions proceeding to China, will enjoy the established privileges of Foreign Service, *viz*:—

I.—The privilege of granting Family Money Certificates.

II.—The nomination of Heirs to Family Pension in case of their decease.

III.—Pay and Full Batta in addition to free Rations. The Full Batta will be drawn from the date on which each man's offer of service is accepted.

IV.—Rations, gratis, on boardship, and on shore while on Foreign Service and until re-landed in Bengal. The Commissariat Department will

issue the Rations, of which the cost will be defrayed by Government.

V.—On Embarkation, Haversacks, Canteens and Hammocks, and a Great Coat per man, at the public expense; the articles to be accounted for by Quarter Masters, in the Periodical Returns.

VI.—Half Batta during leave of absence, on Medical Certificate.

VII.—After return of a Regiment from Foreign Service, if in time of peace, a quadruple proportion of Native Officers and Men will be entitled to Furlough, for periods proportioned to the distances of their homes and with the privilege of Half Batta during such Furlough.

11. The Native Force will be armed with the smooth bore Musket, such as is used by the Regiments of Bengal and Madras Native Infantry now serving in China; and in order that uniformity of Ammunition may be preserved throughout the entire Native Force in that Country, Corps now armed with Rifles will, before embarkation, have them exchanged for the smooth bore Musket.

12. Each Volunteer Regiment will have the following complement of European Officers:—

A Commandant.

A Second in Command.

An Adjutant.

An Interpreter and Quarter-Master.

A Medical Officer, (Surgeon or Assistant Surgeon.)

Eight (8) Officers doing duty.

An Apothecary.

13. His Excellency the Commander-in-Chief is requested to issue such further subsidiary orders as may be necessary, respecting the formation of the Force, European and Native proceeding to China.

The 22nd December 1859.

No. 53 of 1859.—At the recommendation of the Board of Examiners, Fort William, His Excellency the Governor General is pleased to cancel that portion of the General Order by the Governor General, No. 9, dated 31st October 1859, which directs that Special Committees of Examination in the Native languages be held on the 10th of April next, in addition to the usual Half-Yearly Examinations which are to take place on the 10th of January and 10th of July 1860, and in lieu thereof, His Excellency directs, that the usual Half-Yearly Examination of the 10th January next shall be dispensed with, and that the Special Examination ordered to be held on the 10th April shall, instead, be held on the 10th of March next.

Produce of Behar Agency	... Chests	1,270
Ditto of Benares ditto	... „	510

Total Chests ... 1,780

Conditions of Sale.

1. The Opium will be sold for exportation by Sea only, and no Certificate will be granted, except to cover such export.

2. The Opium will be ordinarily offered for sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12 of the Conditions of Sale.

3. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertised for sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of, or if the quantity of 1,780 Chests shall not be sold on the day advertised, the Board may dispose of the lots which remain on hand at a future Sale.

4. Each lot to contain Five Chests.

5. A deposit in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000 at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Saturday, the 14th January, or on the other hand failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses, whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 14th January, will be

placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7. No tender of money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed deposit may not have been made before 4 o'clock of the 14th January will be afterwards accepted.

8. The Opium now advertized for sale shall be paid for within 15 clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 p. m. of Tuesday, the 24th January 1860, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or chests shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out certificates or orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each certificate or order, and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

10. No Sub-Treasurer's Receipts, or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchasers, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities equal to 25 per Cent., even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually, until a bid is obtained, and the first *bond fide* bidder for a lot after it has been offered for sale in the mode here described, shall be held and declared to be

the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions, any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the Jurisdiction of the said Supreme Court shall be waived.

15. The following papers together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1, Certificate of the Opium now advertized for Sale.

No. 2, Report of the examination of such Opium.

16. The public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1858-59, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.*, two of the season's provisions under Sale, and two of the previous season will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug was kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale that may be desired by parties, connected with the trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances, the Board will entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, obstruction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the Sale and delivery of Opium for shipment.

18. The public are hereby informed that in addition to the quantity above mentioned for sale in January, the following quantities more or less of Behar and Benares Opium of 1858-59 will be brought to sale in the year 1860, on or about the dates specified below. The Board however reserve to themselves the right of altering these dates should circumstances render it expedient to do so.
